Profile

An inquisitive and enthusiastic student who is able to work in a group or independently if required. Throughout the years of education, a character with a strong work ethic, adaptability, and a passion for learning has been developed. Being a logical thinker has been greatly beneficial both throughout education and in the workplace when encountering challenges or issues that needed to be resolved, leading to solid problem-solving skills.

Work Experience

React / NodeJS Intern – Boohoo Group PLC: August 2023 – August 2024

- Attended daily stand-ups discussing work with team members.
- Attended meetings with members of other teams to discuss projects.
- Used TypeScript and PHP as main programming languages.
- Used frameworks / libraries including: Laravel (including Blade), React, Node (including NPM), Vue.
- Carried out unit testing with testing frameworks: Jest, PHPUnit, Vite.
- Worked with Git and GitHub for managing code repositories.
- Used Jira to interact with tickets.
- Used the Postman Collection application to test API connections.
- Checked database values with MySQL Workbench.
- Created a front-end interactive website that included: tables displaying data with conditional formatting, image carousels, zoom on hover images.
- Carried out fixes on back-end systems: blacklisting SKU's, feature flagging, fixing tests.

Customer Consultant – Carphone Warehouse (Currys): June 2021 – September 2021

- Sold phone / sim contracts (including insurance under FCA guidelines) to customers.
- Organised Stock – Had to do stock counts, organise them onto shelves, organise deliveries etc.
- Worked independently for days at a time
- Built rapport with each customer to find the correct product/contract for them, which sometimes entailed spending over an hour with the same customer.
- Printed out price tags and updating them as efficiently as possible so there was no confusion about price differences.
- Worked on the tills scanning items, setting up contracts, ordering specific items to be delivered, entering customer details.
